Anne Carlsen Earns Prestigious BHCOE Accreditation for Excellence in Applied Behavior Analysis Services

Jamestown, N.D. – [December 11th, 2024] – Anne Carlsen is proud to announce that it is now accredited by the Behavioral Health Center of Excellence® (BHCOE®) for its Applied Behavior Analysis (ABA) services. This important designation recognizes Anne Carlsen's commitment to providing high-quality, sustainable, and effective ABA therapy while adhering to rigorous standards for clinical and operational excellence.

The BHCOE Accreditation® is awarded to therapy providers that demonstrate a commitment to quality and continuous improvement in the delivery of Applied Behavior Analysis (ABA) services. Anne Carlsen has met or exceeded BHCOE's comprehensive standards for clinical effectiveness, operational best practices, and patient care. Anne Carlsen has clearly demonstrated its commitment to the highest level of service. In addition to the full BHCOE accreditation, Anne Carlsen has also achieved Training Site Accreditation through demonstrated Standards of Excellence in providing fieldwork experience and training to individuals pursuing certification as behavior analysts.

Why BHCOE Accreditation Matters

The accreditation process guarantees that organizations provide top-tier ABA services while maintaining a focus on ethical and results-oriented growth. BHCOE-accredited organizations are distinguished in the industry and offer stakeholders a high degree of confidence in the practice's sustainability and effectiveness.

BHCOE Accreditation is a powerful endorsement of an organization's ability to deliver evidence-based, outcome-focused treatment for children, young adults, caregivers, and other stakeholders.

A Commitment to Excellence

"Achieving BHCOE Accreditation is a significant achievement for Anne Carlsen's Behavioral Health Services," said Stephanie Nelson, the organization's Chief Operating Officer. "This recognition reflects our dedication to providing high quality services that promote the best possible outcomes for the individuals and families we serve. It is a testament to our team's hard work, ongoing commitment to quality, and passion for the people we serve. We are excited to demonstrate to our community and stakeholders that Anne Carlsen is a trusted, ethical, and results-driven provider of ABA services."

As an accredited practice and training site, Anne Carlsen joins a distinguished group of ABA providers who are committed to delivering high-quality services and upholding the highest standards of clinical care.

Anne Carlsen provides ABA therapy to children and young adults with clinic locations in Grand Forks, Fargo, Jamestown, Bismarck and Minot. For more information about Anne Carlsen and its comprehensive services, visit annecarlsen.org
