**FOR IMMEDIATE RELEASE**

**Anne Carlsen Names Leann Gumke as Director of Nursing**

Jamestown, ND, December 1, 2025 – Anne Carlsen is pleased to announce the appointment of Leann Gumke as Director of Nursing.

Leann returns to Anne Carlsen after previously dedicating more than two decades to the organization, where she built a career centered on compassionate care, strong clinical leadership, and advocacy for individuals with complex medical and developmental needs. During her time at Anne Carlsen, she held progressive roles including Direct Support Professional, Nurse Technician, and Registered Nurse, most recently serving as a charge nurse overseeing care coordination, staff support, and quality assurance across the Jamestown campus. The organization is thrilled to welcome her back in this leadership capacity.

Leann holds a Bachelor of Science in Nursing from Jamestown College and maintains certifications in Basic Life Support, Pediatric Advanced Life Support, Nonviolent Crisis Intervention, and is a former Basic Life Support Instructor. Her deep understanding of Anne Carlsen's mission, coupled with her commitment to client and family advocacy, position her as an exceptional leader for the nursing team.

"We are thrilled to welcome Leann into this leadership role," said Adie Hobert, Central Region Vice President. "Her experience, compassion, and dedication to empowering those we serve exemplify the values of Anne Carlsen."

Please join us in congratulating Leann on her new role and in celebrating her continued dedication to the individuals and families supported by Anne Carlsen.
